Construction of the New Norwood High School

The construction of the new Norwood High School began on June 6th, 2009, with a ground-breaking ceremony. The Scafati gym and the metal shop were gone by September. The school, with its historic beauty and significance, was considered many times for renovations. Although many wanted to preserve Norwood High, which is seen as a historic landmark the construction of a new building was approved and ready to go in early 2009. On January 6th, 2010, the "topping off" ceremony took place and the last piece of steel was placed on the frame of the new building.

The building of the new school, which is scheduled to open in September, 2011, is well under way. Every day the building is filled with a diverse selection of people including plumbers, electricians and masons, all with different skill sets and different abilities, and all working together to create this masterpiece.

The building itself is split into four quadrants. Buildings A and B, which can be accessed by the main entrance, make up the educational wing. This wing contains all of the classrooms and the enhanced library. Buildings C and D can be accessed by what will be called the community entrance. This entrance will be used for events such as plays and games so there will be no need to open the rest of the school. Building C houses the 800-seat auditorium and the cafeteria. Building D is the home of the 18,000 square foot gymnasium.

The school has been in the works for some time, so the construction is close to the hearts of many. Mr. Usevich's enthusiasm on the subject is truly inspiring. He speaks of "a model school with a model curriculum", and of all the vast opportunities that this building will present. This construction gives Norwood both a new high school and a tremendous new beginning.

Dedication

We, the class of 2010, dedicate this year's yearbook to the original School on the Hill. This school was built in 1926, with additions in 1962, and it has been a vital part of Norwood ever since. For many students and faculty, their parents have attended this school, graduated, and gone on to lead successful lives because of what this school instilled in them. There is no doubt this will continue in the new building, but we want this building to be remembered for the great part of Norwood that it is. NHS has seen the likes of athletes, geniuses, people destined to be famous, and people destined to stay in Norwood. The school has been here for us since our first day it has always always been the one solid thing we can count on. Through disasters in class, essays, tests, friendships, and fights, Norwood High School has always stood strong--or so we thought. For four years this building has been like a second home to our class. This school has instilled values in us that we will use for the rest of our lives. We know the floor plan, the shortcuts to classes, the hallways to avoid so our hats aren't removed by the Berger Patrol, and the overall ins and outs of the school. This building has taught us things we may not even realize, but they are things that someday we will greatly depend upon. The TIOT staff and the senior class wave a sad goodbye to the original School on The Hill. Thank you for the everlasting memories.

With twelve returning seniors, the 2009 season seemed promising for the girls' field hockey team. The girls started off with a strong record the first half of the season with three consecutive wins over Natick, Newton North, and Brookline. As the season progressed, hard-fought losses to Walpole, Milton, and Dedham, made the road to the tournament even harder for the team. Determined to make it to the tournament, it came down to the last game of the season. The team fell just short of the tourney, missing it by only one point with a final score of 1-1 in the battle against Nantucket. Senior goalie Emily Whitney, and senior midfielder Jillian Walsh were named Baystate All-Stars. With a final record of 8-9-1, the girls had a great year and wish the team the best of luck for next season.

This year the girls' swim team was the best it has been in years. The team's goal was to have two more wins than they did the previous year. The girls beat their goal with an outstanding 12 and 3 record. This year brought many new and terrific freshman swimmers who joined the already strong sophomores, juniors, and seniors. Many of the girls this season achieved personal best times as well as school records. Senior Nicolette Tenaglia and sophomore MaryPat Norton beat Norwood's previous diving record. Freshman Molly Shilo broke the 500-yard freestyle record by four seconds. Next year the team will be losing 10 seniors, but Coach Goodwin and Coach Cormier are confident that the team will continue its marvelous journey into Norwood's swimming history.

The girls' 2009 season started off strong, led by captains Megan Folan, Susan Orlando, Brianna Quintiliani, and Meghan Underhill. They battled hard, facing tough and challenging teams throughout the season. The team played with heart and never gave up. Golf

Christopher Ryan

Peter Kelly

This year the golf team was at its best, improving significantly over past seasons. After losing only two seniors, the season looked promising with the remaining veterans and new comers. This year's goal was to beat the strong teams from last year. The team started off the season with a tough loss to Natick. Beating Newton North by 1 point was enough motivation to continue the season on a good note. Because of so many new players, there was a big competition for the 8th spot on varsity. Peter Kelly, Matthew Brown, and Jake Ranalli were some of the players that shared the spot throughout the season. Since Coach Heretz started 2 years ago, the team has really improved. Two of the five seniors this year, Ryan Collins, who was a Bay State All Star, and Brendan Buckley, who made it to the Division II state finals, helped bring the team to the state tournament. Overall, the season was terrific with a final record of 9-7. The team has big hopes to win tournament next year.

This year's team had an extremely successful season, making it to tournament for the first time in 5 years. Despite the coaching change early in the season, the team responded well with supreme focus for the opportunity to finally be on the road to tournament. This proved to be true with big wins over Braintree and Walpole. The girls also won the Riley Winter Classic for the first time in 11 years. The team improved a great deal from last year's record, finishing 9-7 for the regular season. With final wins over Canton and Westwood, and a devastating, but hard-fought loss to Scituate in their first tournament game, the team finished 11-8. Tahirah Gibson and Emily Dixon were named Bay State League All-stars and Stephanie Perry was named Honorable Mention.

Wrestling

Robert Boucher

Aquie Moxam

This year's team was looking forward to a good season with many seniors in the line-up. However, due to senior captain Vincent Serino's injury and other key wrestlers missing from the line-up, Norwood High School wrestlers lost points in every match. Despite these losses, the less experienced wrestlers on the line-up began racking up victories toward the end of the season. Although there were many highlights to this season, the most notable were at the MIAA Divison II Metro Sectionals with many of the Norwood High wrestlers, Christopher Hutchens, Timothy Hennigan, and Fady Beshay placing. Junior Aquie Moxam left the sectionals as sectional champion and he became Norwood High's first sectional heavy weight champion since 1984.

Willy Wonka 2009

Willy Wonka was put on by Norwood High School in the fall of 2009. Willy Wonka is an oh-so-sweet musical for all ages based on Roald Dahl's children's novel. Candy-maker Willy Wonka and troupes of Ooompa Loompas give Charlie Bucket and four other Golden Ticket winners the tour of a lifetime in the fantastical chocolate factory. Charlie, Grandpa Joe, spoiled Veruca Salt, gluttonous Augustus Gloop, gum-grinding Violet Beauregarde, Wii/technology junkie Mike Teavee and their simply awful parents wind through a quirky labyrinth of lemon drops and colorful life lessons. Fifty plus cast members sing their hearts out in memorable songs including "The Candy Man," "I Want It Now!", "Cheer Up, Charlie" and "Pure Imagination." The show featured fantastic special effects, with the help of Flying by Foy Company, and featured amazing sets. The show had a great turn out from the whole community and was a huge success.

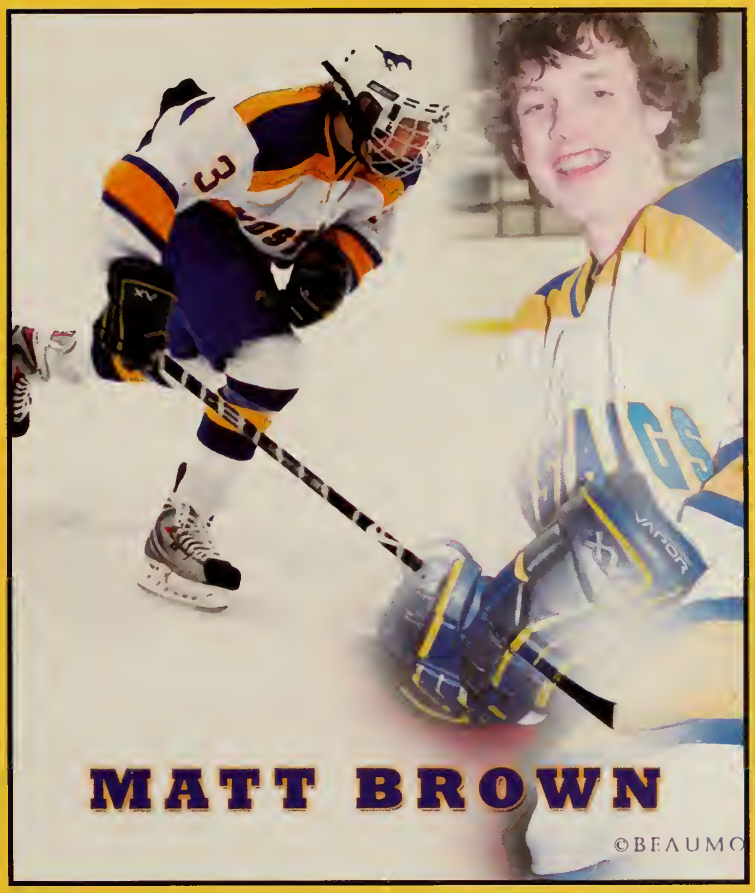
UPDATE after DARK

UPDATE AFTER DARK IS A LIVE TELEVISION SHOW THAT IS ENTIRELY WRITTEN AND PRODUCED BY THE STUDENTS IN TV3. THE SHOW IS HOSTED BY SENIORS JOE MEEHAN AND BILLY GLYNN. EACH EPISODE, THE STUDENTS PRODUCE SEGMENTS ABOUT EVERYTHING FROM SPORTS AND MUSIC GROUPS TO THE LATEST FACEBOOK TRENDS. ONCE A MONTH A NEW LIVE EPISODE IS AIRED ON NORWOOD PUBLIC ACCESS. THE FIRST YEAR OF THE SHOW HAS PROVED TO BE A SUCCESS WITH HUNDREDS OF FANS.

Matt Brown #3



The 2010 Yearbook staff would like to show our support for our fellow classmate, Matt Brown. Matt was seriously injured during a hockey game, but he is on his journey to recovery. Matt is a funny, charismatic, and energetic guy who can make anyone laugh, smile, or feel better. Matt has inspired the High School community, the town of Norwood, and other surrounding communities. People from all around have come together to show their support for Matt Brown and his family. Events such as the Matt Brown Dance, the March for Matt, and the Alumni vs. Police Hockey Game were a few of the events held in his honor. T-shirts, hats, bracelets, arm-bands, and bumper stickers were sold, and a fund was set up in Matt's name to help support the Brown family. We wish Matt a speedy recovery and we hope he will return home to his Norwood High family very soon. Matt you are missed very much, and we can't wait to see you!

Ali Maloof

Maeve Finneran

Under new coach Carol Savino, the girls softball team had a lot to prove after last years' success and the loss of five starters.

The team did that and more by going 20-0 to have a perfect season. They won by 5 or more runs in 14 out of 20 regular season games. The team was lead by 8 seniors, including captains Emily Whitney, Maeve Finneran, and Natalie Metta. They went deep into tournament, but Bishop Feehan ended their amazing run in the semi-final game. The team was Herget Champs with Junior Ali Maloof being Bay State League MVP.

Caty Kelly and Emily Whitney won the Coaches Award, Natalie Metta was unsung hero, and Ali Maloof and Lauren Duggan were co-MVPs.

Congratulations on a perfect season!

Under new coach Jim Sweeney, the Norwood High Baseball team started off the year with a bang with two big wins over rivals Dedham and Bay-State powerhouse Natick. The team, led by ten seniors and captain Sean Keady, fought hard every game and played with lots of heart. They proved this with consecutive walk off victories against Dedham in a 16-inning game, and Xaverian to end the season. Sean Keady was MVP, Chris O'Brien was Unsung Hero, and Kevin O'Sullivan was Most Improved.

Boys Volleyball

The team came up just short of tournament finishing with a respectable 8-12. Playing in a very competitive league, the team, led by senior captain Sean Porter and sophomore setter Steve Martinez, held their own against MIAA championship teams Natick and Newton North. With only three returning varsity players, the team showed great improvement in the first few weeks of practice by players John Henry and Tommy Bartucca. A highlight of the season was the victory over Braintree at their home gym--a feat not accomplished in two years.

Boys Tennis

This year's tennis team was led by Junior Captain Abe Agayby and Senior Captains Josh Cooper and Joseph Dobbels. The 2010 season proved to be one of the best seasons in NHS history for the team. In previous years, the team struggled to produce wins against their tough competitors. This year, however, the boys came together to earn six team wins as well as many individual matches.

Girls Tennis

This season, led by Senior Captains Connie Serratore, Aditi Dave, and Heather Flaherty, was a hard season. The team was up against talented teams, but despite their record, put up a fight each time they entered the courts. New players Brittany Cadiz and Zaida Perez moved up the ladder leading the way playing first and second singles for the Mustangs. With positive attitudes and motivation, the girls drastically improved since the previous season by gaining four individual wins.

This year's boy's track team put in a ton of effort. The seniors showed great leadership and a lot of heart. Although the scores may not show it, Mr. Forrest says that his boys were very successful. The combined efforts of everyone on the team made this team triumph, especially at their last game against Deham, which showcased their strengths.

The Girls Outdoor Track team had another successful season both on the track and on the field. Although the team did not rack up many wins, the athletes constantly strove for, and often achieved, their personal records. As the team was without a home field this year, all practices and meets were held off-site. The girls ran, threw, and jumped (often in inclement weather) to their personal bests.
